

Aaron Brown
Digital Product Designer

aaronrossbrown.com aaronrossbrown@gmail.com +1 (510) 364-6349

EXPERIENCE—

Polymer
Designer
OCTOBER 2017–DECEMBER 2017

Joined a three-person startup developing tracking and analytics software for manufacturers. As first hire worked on design of initial MVP, onboarding, and recruiting.

Qualia
Designer
AUGUST 2016–NOVEMBER 2016

Designed in code, overhauling and refining user flows for admin billing, email templating, and credentials pages for a real estate title closing software startup.

Postmates
Product Designer
MARCH 2017–OCTOBER 2017

Redesigned Buyer app within team of three designers, leading Android design. Previously led product design on Growth team, running experiments on Buyer app.

CS 91SI: Digital Canvas
Instructor & Critique Leader
FALL 2014–SPRING 2016

Co-taught a student-initiated visual design class at Stanford. Designed and developed website for class materials and led weekly critiques of students' work.

INTERNSHIPS—

IDEO New York
Creative Coding Intern
FALL 2015

Worked on a project team, distilling insights from user interviews to create materials and prototypes for a client.

Nextdoor
Engineering & Design Intern
SUMMER 2015

Led a consistency audit of web elements and components to create a style guide and worked on various frontend projects.
